

DIMES FOR HUNGER is a ministry of Providence Presbytery.

Working TOGETHER since 1977,

WE have collected \$1,946,771.67!

**That is 19,467, 716
dimes!**

**Can you visualize that
many dimes?**

200 dimes = 1 pound

19,467, 716 dimes = 97,338.58 pounds

19,467, 716 dimes = 48.67 tons!

The average 6 year old weighs 45 pounds or 9,000 dimes.
How many dimes do you weigh?

The diameter of one dime is .706 inch

19,467, 716 dimes = 13,744,207.49 inches

19,467, 716 dimes = 1,145,350.62 feet

19,467, 716 dimes = 216.92 miles!

The average 6 year old is about 45 inches tall or about 32 dimes tall.
How many dimes tall are you?
